

## Giving grows slowly in recession years yet... The Association Exceeds Its Campaign Goal of \$400,000

### Campaign 2010 *The ♥ of Our Mission: Caring for Children, Adults and Families*

Together we did it! \$401,566 raised from 1,761 Donors.

During these challenging economic times, most of The Association's donors continued to give. A national trend seen by non-profit organizations is the compassionate spirit of donors who gave even as their income or wealth may have declined.

Our thanks to those who gave. Businesses and individuals, foundations, friends and families, and business and community leaders responded to our critical yet unfunded needs

**Thanks to our leaders ...** Campaign Committee 2010, The Association's Board of Directors, Division and Program Board members, The Legacy Society, and Corporators.
